Please note there is a clash of Ministries for some Ministers – can they please arrange the swaps with another Minister themselves?

Father Paul is asking if any existing Ministers are willing/ able to join the few who take Communion to the housebound and hospice, even if only occasionally, to let him or the office know.

Also if any Ministers are willing/ able to be available at another Mass, to which they normally attend, please let Paul Kirrane know.

You agreed to your details, below, being shared with other volunteers as necessary {and /or the volunteer coordinator}. If you have any questions about how your personal information will be used, then please contact {Cath Cohen}
